Best storage apple varieties

- **Granny Smith:** Thick-skinned, tart, and holds up well.
- **Fuji:** Known for its thick skin and crispness.
- **Rome:** A classic storage apple with a firm, thick skin.
- **Honeycrisp:** A newer variety that is a good keeper.
- **Cosmic Crisp:** Another modern, hardy variety developed for storage.
- **Newton Pippin:** An heirloom variety that can last for over a year once its flavor develops in storage.
- **Winesap:** Considered a storage champion that stays good for a long time.
- **McIntosh:** Stores well due to its thicker skin.
- **Gala:** Has a thicker skin that makes it a good candidate for storage.
